Interactive and informative live animal sessions happen everyday at Deep Sea World. During your visit, you can meet a reptile, see our seals enjoy some yummy lunch, touch our starfish and even see our divers feed our fish in our Underwater Safari exhibit. Our live animal sessions allow you to get up close and personal with your favourite aquatic animals. Each season there is something exciting for the whole family to enjoy at Deep Sea World. Our events range from special talks to treasure hunts and creative exhibitions. Keep an eye on this page for all the latest on what is happening!!

**Spectacular Mermaid Experience** - 1st, 2nd and 3rd August

**You won't believe your eyes!**

Scotland's very first mermaid is coming to Deep Sea World, on 1st, 2nd and 3rd August.

From 11am each day, our very special guest will be making regular appearances in our Underwater Safari, with our seven large Sand Tiger Sharks, and Stella the Stingray!

Join us as she dives with our team of divers to amaze and entertain you. We recommend that you come early on these days, so as not to miss out on the chance to see a real live MERMAID!
